SUMMARY OF CHANGES

1. The purpose of this amendment is to provide a representative sample of three months help desk requests. "Month 3" is a partial month. It is estimated that there is an additional 15-20% of requests which have not made it into the VPS request log. There are numerous instances where the user has called in directly and a record of the incident is not recorded.

2. The offeror due date is not extended.

3. All other terms and conditions are unchanged.
